#	Description	When	Who
1	Real Bridge Lessons Are being offered by the Auckland Bridge Club. An email has been sent to members advising details and that Sue and Vivian no longer need to facilitate this.		
2	Sending all posters It is agreed to resurrect the old notice board and to use this to display upcoming tournament posters therefore negating the need to email members with other clubs events. Emails from QBC will then be restricted to just QBC news	ASAP	GM
3	Friday Bridge Would more players be encouraged to attend Friday bridge if C Points were awarded? CW to investigate if this is possible		CW
	COVID Privacy Club protocol dictates that the names of members who have, or have had, Covid should not be disclosed. If a member advises they have tested positive they will be asked to ensure their partner is made aware.		All
6	Other Business Members should be reimbursed for all expenses while performing club duties. It is discussed and agreed that payment to individuals for those duties is not appropriate. It may set a precedent or an expectation to all volunteers.
